

**Invivoscribe  
Leukaemia & Lymphoma  
Molecular Diagnostics**  
Seminar

**PROGRAM**

## Sessions Overview

**6:30pm**      **Registrations Open**

**A Complete Suite of NGS Assays for Clonality, SHM and MRD Analysis of Hematopathologic Malignancies**

Dr Fuensanta Martinez

Director of International Sales, Invivoscribe

**Measurable Residual Disease Detection by Next Generation Sequencing in B-cell Acute Lymphoblastic Leukaemia**

Ms. Wendi Lin

Scientist, Austin Health

**Analysis of IGHV mutational status, T-cell clonality and MRD by NGS**

Dr Giles Best

Senior Research Fellow in Molecular Medicine, Flinders University

**9:00pm**      **Close**

Light dinner and drinks will be provided
