QuikRead go CPR Cat. no.
QuikRead go CPR 50 tests including capillaries and plungers 135571
QuikRead go CPR Control 153764
QuikRead go CPR Control High 153763

QuikRead go CRP®+Hb Cat. no.
QuikRead go CRP®+Hb 50 tests including capillaries and plungers 140068
QuikRead go CRP® Control Low 153765
QuikRead go CRP® Control High 153763

QuikRead go Strep A Cat. no.
QuikRead go Strep A 50 tests including controls 135883

QuikRead go iFOBT Cat. no.
QuikRead go iFOBT 50 tests 151051
QuikRead go iFOBT Sampling set 50 devices 151052
QuikRead go iFOBT Control Quantitative 152390
QuikRead go iFOBT Control Positive 06027

QuikRead go Instrument Cat. no.
QuikRead go Instrument (FI, SE, NO, DK, CZ, SK, PL, HU) 135867
QuikRead go Instrument (other languages) 133895

QuikRead go CRP Cat. no.
QuikRead go CRP 50 tests including capillaries and plungers 146321
QuikRead go CRP Control Low 153765
QuikRead go CRP Control High 153763

QuikRead go CRP® Cat. no.
QuikRead go CRP® 50 tests including capillaries and plungers 146255
QuikRead go CRP® Control Low 153765
QuikRead go CRP® Control High 153763

QuikRead go Hb Control 10 µl 153656

QuikRead go CRP+Hb Cat. no.
QuikRead go CRP+Hb 50 tests including capillaries and plungers 146255
QuikRead go CRP+Hb Control Low 153765
QuikRead go CRP+Hb Control High 153763

QuikRead go CRP Control 153764
QuikRead go CRP Control High 153763

QuikRead go CRP Control Low 153765

QuikRead go CRP Control 153764
QuikRead go CRP Control High 153763

QuikRead go CRP Control Low 153765

QuikRead go easy CRP Cat. no.
QuikRead go easy CRP 50 tests with 10 µl Sample Collector 153287
QuikRead go easy CRP Control Low 153765
QuikRead go easy CRP Control High 153763

QuikRead go Sample Collector 10µl 153211

CRP / CRP+Hb / Strep A / FOB

Get support for diagnosis and treatment decision with laboratory quality results just within minutes. Small and fully portable instrument enables testing in various healthcare settings.²⁻⁴

Immediate
- Results in minutes
- Minimum hands-on time required
- Results you can trust during patient consultation
- Supports you on the spot in making the correct diagnosis and treatment decisions²⁻⁴

Reliable
- Instrument read results ensure objective result interpretation
- Reliable results comparable to laboratory methods²⁻⁴
- Robust instrument
- Close to 50 000 QuikRead and QuikRead go instrument sold worldwide

Have peace of mind with the high performing, robust, and easy to use test system. Exceptional connectivity features and automatic testing procedure ensures you better POC management and traceability.²⁻⁴

Carefree
- No need for regular maintenance
- Plug and play
- Ready to use reagents
- Fully automatic testing procedure
- Interactive user interface available in 22 languages
- Battery use ensures full portability

Traceable
- Results with all testing details stored automatically to the instrument
- Patient ID and User ID for improved traceability
- Connectable to most hospital (HIS) and laboratory information (LIS) systems
- POCT1-A2 bidirectional connectivity with advanced features
- LIS01-A2 unidirectional connectivity

Point of care testing (POCT) can significantly improve clinical operations with cost reductions through improved practice efficiency. The economic benefits of POCT may be realized in both fee-for-service and global payment environments."¹
